About Jon Medved: Jonathan Medved is a serial entrepreneur and, according to the Washington Post (Dec 5, 2007), "one of Israel's leading high-tech venture capitalists". In the September 2008 New York Times Supplement, "Israel at 60", Medved was named one of the top 10 most influential Americans who have impacted Israel.

Medved currently is the founder and CEO of OurCrowd, a new crowdfunding organization for accredited investors and angels focused on investing in Israeli startups. OurCrowd is launching in September 2012.
